

2017 oSTEM Conference

- Out in Science, Technology, Engineering, and Mathematics (oSTEM) is a national society dedicated to educating and fostering leadership for LGBTQA communities in the STEM fields.
- [Conference Website](#)
- Location: Chicago
- Dates: Thursday, November 16th through Sunday, November 19th.
- You will miss classes on Thursday and Friday. Because this is a university sponsored trip, there is no penalty for missing classes.
- Montana State University is a conference sponsor.

Career Fair Table

Student Support

The College of Engineering and its five academic units will sponsor several COE majors and graduate students to attend. Sponsored students receive airfare, a shared hotel room and conference registration.

Application Procedure

If you would like to attend the oSTEM conference, e-mail the following information to John Paxton (john DOT paxton AT montana DOT edu) no later than Friday, September 8th.

1. Name
2. Major
3. A brief overview of what your home department (e.g. Civil Engineering if you are a Civil Engineering major) and the COE do well with respect to diversity, equity and inclusion.
4. A brief overview of what your home department and the COE could do better with respect to diversity, equity and inclusion.
5. A brief overview of how attending the conference might benefit you.
6. A brief overview of how attending the conference might help you benefit others.
7. Attach a **current resume** in pdf format. Having a current resume will help you take advantage of the oSTEM Career Fair.
8. And anything else you wish to add.
