Student Sponsorship

- Our goal is to sponsor as many LGBTQ+ STEM students as possible to attend the conference. Sponsorship includes airfare, a shared hotel room and conference registration.
- The Norm Asbjornson College of Engineering will support 10 NACOE students to attend.
- The College of Letters and Science Dean's Office will provide \$500 of support for a CLS student to attend if the home unit of the student provides the other \$500.
- Because this is a university sponsored trip, you have permission to miss classes on Thursday and Friday.

Application Procedure

If you would like to attend the oSTEM conference, e-mail the following information to John Paxton (john DOT paxton AT montana DOT edu) no later than Friday, September 14th. Decisions will be made no later than Friday, September 21st.

1. Name
2. Major
3. A brief overview of your involvement with the LGBTQ+ community.
4. A brief overview of what MSU could do better with respect to diversity, equity and inclusion.
5. A brief overview of how attending the conference might be beneficial.
6. Attach a **current resume** in pdf format. A current resume will help you benefit from the oSTEM Career Fair.
7. And anything else you wish to add.

Questions?

- Feel free to drop by John's office in Barnard Hall 353 or send an e-mail (john DOT paxton AT montana DOT edu).
